Connected and Automated Mobility

We define, design, deliver and maintain digital infrastructure to enable connected services and automation

Connected Digital Roads

An aerial, slightly blurred photograph of a multi-lane highway. Several cars are visible on the road, moving away from the viewer. The highway is flanked by green trees and grassy areas. The sky is a clear, light blue. The text 'MIDLANDS FUTURE MOBILITY' is overlaid in the center of the image in a large, white, sans-serif font.
